Dear Citizens of the Town of Anderson,

To continue cleaning up our town and keeping it as clean as possible, we are having another **"Town Clean Up Day"** which is set for **Saturday, April 30, 2022.** This event will take place from **8 a.m. until 12 noon.**

Brush, tree limbs and non-household trash WILL BE ACCEPTED. Tires or hazardous materials WILL NOT BE ACCEPTED. A container will be placed near the Historic Anderson Park area. You may bring your acceptable items to the container during that 4-hour period and dispose of it free of charge! We hope that we can work together with our neighbors to get this job done and also, to help the elderly in town that need help with their clean up as well. Let's make this a community event/effort where we will all be the beneficiaries.

We also need help in cleaning up the debris in the ditches along the streets. If you can supply some of the muscle, time and enthusiasm—we'll supply the place to gather. We will meet at the park area at 8 a.m. where there will be trash bags, gloves, water, snacks, etc. We all live on different streets but we are all one community and essentially the hub of the County. So if you can give up a few hours of time on this particular Saturday morning to help in this effort, your neighbors would greatly appreciate anything you can do.

If you are not able to take your debris to the disposal area but can get it to the street, please call the listed number below and we will try to have it picked up.— but you must be present during the pick-up. If you are elderly or disabled and need help collecting your debris, **please contact the office at 936-873-3102, Karen at 936-827-9422 or Daryl at 936-870-6025.**

If you are able to help with equipment (truck, trailer, or manpower) or have any other groups (ie: Church Organizations or Civic Groups, etc.) willing to help with pick up of debris or helping the elderly of our community, please call the above numbers also.

We appreciate any and all help and would like to thank all of you in advance for your enthusiasm of this event and can't wait to see all of our neighbors!

Sincerely,

Karen McDuffie,
Mayor
